Green Champions Training: Foundation Modules

MARK BILLINGTON

Awarded on: 5/2/2021

A handwritten signature in black ink, appearing to read "M Lippiatt".

Marissa Lippiatt
Head of Resource Efficiency

We help organisations cut energy costs by an average of 24%.

Zero Waste Scotland's 'Energy Efficiency Business Support Service' helps organisations to be more energy efficient and reduce their carbon footprint.

Funded by the Scottish Government and the European Regional Development Fund, the service offers free advice and technical support, shares Best Practices and new technologies.
